GRAFTED IN FELLOWSHIP
KING GEORGE

My Notes:

Verse 3: Gen 1:3 - then Elohim said, Let light be! And there was light.

- Light
- “God saw light good”

Separation vs. differentiation

Hebrew concept of time: begins in the evening

- Same way days were perceived In Yeshua’s day
- First day of the week: Saturday night
- Resurrection

Hebrew days of the week

- Day 1, Day 2, etc.
- Shabbat
- Debunks pagan mythology

Fundamental motif: order

- How God orders
- Light: before sun and moon

Abraham was pagan before being called out

Verse 6: “raqiya”

- Gen 1:6 - And Elohim said, Let an expanse (raqiya) be in the midst of the waters, and let it be dividing between the waters and the waters.
- Unparalleled in cognate languages
- Cognate language: similar or associated language
- Made-up word: Hebrew only: from God!
- Paul does the same thing
 - +1 Cor 13:4-8
 - +Opinion: positive side of 10 Commandments
 - +About the character and nature of God

Your Notes:

-Peter (1 Pet 1:23 - being regenerated, not by corruptible seed, but incorruptible, through the living Word of YAHWEH, which abides forever.)

+”born again” (anagennao, #G313)

+Nicodemus and Yehsua

- John 3:3 - Yahshua answered and said to him, Truly, truly I say to you, that if a man is not born (#G1080, gennao [begat]) again (#G509, another [from above]), he is not able to see the Kingdom of YAHWEH.

+Yeshua never talks about being “born again”

-Exek 1:22 - And a likeness was over the heads of the living creature, an expanse like the color of awesome crystal, stretched out over their heads from above.

Verse 7: God made

-asher / bara

After its kind

Polemic (*a strong verbal or written attack on someone or something*)

Fourth day

-Two great lights and the stars

-Agricultural cycle

-Fundamental difference

-Paul: don't be conformed...

-Stars

Living creatures

Repetition of, “and God saw that it was good.”

-Hebrew perspective: The earth, as it exists today, is good

-Greek perspective: the world is a bad place, filled with evil, get to heaven

Social evolution

-Goal is the future

Verse 26

- Gen 1:26 - And Elohim said, let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea, and over the birds of the heavens, and over the cattle, and over all the earth, and over all the creepers creeping on the earth.

-Joint custody/administration of the world

- Dominion: granted from God
- All authority is from God
- When given authority, who are we responsible to?
- Example of authority removed (in the Prophets):

Nebuchadnezzar

- Stewardship is not an addition to the moral law, it is the moral law!

Let “us” make...

- Sarna gives typical Jewish understanding (God and the angels)

Narrative of Genesis 22

- It is so unique in its construction, storytelling and vocabulary, that Abraham knew it was never intended to be an endorsement of human sacrifice

Gen 1:27 - And Elohim created the man in His own image; in the image of Elohim He created him. He created them male and female.

- man = “adam”
- means both “man” and “Adam”
- “alef” “dalet” “mem”

Male & Female

- zakar – pointed <can't find this>
- +homophone: to remember (#H2145)
- kavah? – perforated <can't find this>
- +homophone: appointed to a high office; priest; official in court (royalty)

What is the function of naming?

- authority
- God passed the authority of the animals to Adam
- Adam names their “essence”
- +Adam: first bloods
- +Eleazar: El azar – God is my helper
- +Johsua: Yehoshua – yasar – God is salvation
- Yeshua is not the same as Yehoshua; Yeshua means “salvation”
- +Abimelech: my father is the king
- +Nabal: fool

Hierarchy?

“Be fruitful and multiply” implies expansion
-This is the first positive command

7th Day
-Rest!

Focus is on Earth!

Shabbat

- double consonants
- time versus space
- God rested, we will rest
- the only sacred, named day, established by God!
- men did not invent this day to worship God
- Why do we worship on Sunday when Sabbath begins on

Friday?

-Constantine's Bible, David Dungan
